

The Clever Little Owl - Star of the Month is Jeanique Coetzee

"Since we've started with The Clever little owl my daughter Loves to work and learn, she grew so much, she is not only getting a more clever little owl ;) but she also came out of her skin, she is much more talkative and she loves to colour in now (something she hated) We only started in August 2017 and we are now busy with term 4 already. Jeanique is so dedicated she will ask to do more assessments everyday (we are currently doing 3-6 a day)

I'm just so grateful for this opportunity.

Thank you so much Chantal*"

From her mom - Monique Coetzee

"If it hasn't been in the hand and body, it can't be in the brain"

Messy play allows children to build, imagine, experience, investigate, explore, create, observe, predict and use their senses.

Best of all its heaps of fun!

Messy play is a necessity for all children, it helps develop all learning areas. A baby from as young as 5 months can engage in messy play.

Join FunkyKidz Messy Play classes now! - Make all the mess but not in your own home! It's a win, win situation!

Each week we will have new activities where your little one can experiment and explore the different textures and colours.

What a perfect way to meet new moms and children, build up self-confidence and be encouraged to engage in social play.

Our program is excellent for encouraging social play, fine and gross motor skills it's an excellent time for bonding with your little one.

Messy play is a necessity to help with all learning areas. We encourage babies from 5 months - children 6/7 years old to join our classes.

A baby is never too young to be stimulated! Enrol your little one now!

Why Messy Play?

It helps develop all learning areas, such as

- * Physical Development * Communication and Language Development
- * Personal, Emotional and Social Development * Intellectual Development
- * Mathematical Development
- Creative Development

In our Messy play classes we set up sensory stations and you can work your way around the stations with your little one, spending as much or as little time at each area as your little one likes. Activities from cloud dough to edible paint and spaghetti to jelly and mud. Our classes are colourful fun, stimulating and exciting offering the sensory experience your little one needs and the best part is that you won't need to clean up! Book your spot now!
